

## Boo! Haunted by Travel Leakage? Seal the haunting leaks with a TMC

Just like ghosts and ghouls lurk in the shadows, travel leakage can haunt your company's budget. FCM has the enchantments to keep them at bay

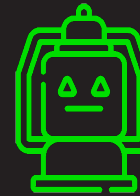

### Spell 1: Banish missed deals.

Deals can disappear like ghosts when travellers stray from the booking path.

Plug the leak:

- Guidance & spark: We light the way to compliance.
- Spook-free booking: Smooth supplier reservations.

### Spell 2: Spot the expense phantoms

Sneaky bookings might ghost you, hiding in plain sight.

Plug the leak:

- Witching hour alerts: Get early notifications when spooky and unusual bookings arise.
- Spooky-simple dashboards: Glide through your travel data with ease.

### Spell 3: Challenge cursed expenses

Your travel budget is cursed when you're not on your broomstick keeping watch.

Plug the leak:

- Expense tracking: Keep real-time tabs on your spending cauldron.
- Policy enforcement: Ensure compliance & prevent overspending hexes.

### Spell 4: Tackle witching hour policies

Employees may not have received the travel policy spell.

Plug the leak:

- Easy-to-find policies: Access your guidelines like a seasoned witch or warlock.
- Updates & reminders: One tool where employees can stay informed like reliable travel oracles.

### Spell 5: Beat booking curses

Complex bookings have you feeling like you're in a maze of mirrors?

Plug the leak:

- Mobile sorcery: Book on the go with ease.
- 24/7 Support: Get assistance anytime in the booking labyrinth.

### Spell 6: Stir up loyalty with a witch's touch

Employees might miss the perks of compliance.

Plug the leak:

- Broomstick badges: Cheers and charms for the savvy savers.
- Potion portions: Share the brew of savings with employees warding off wastage
