Business Problem: Maintaining traveller wellness

FCM

Available Data Points

- Length of trips.
- # of trips taken.
- Frequency of trips.

Possible Actions

- Set up an automated report for travellers that take X number of trips a month.
- Check in with employees who are travelling extensively.
- Update your policy to restrict the number of trips an employee can take within a time frame.

Make meaningful impact with intuitive reporting.

Supercharge your travel tech with FCM.
